Summary:

Award-winning photographer specializing in fine art, portrait, and commercial photography. Skilled in both traditional darkroom techniques and digital post-processing. Passionate about capturing unique perspectives and telling compelling visual stories.

Education:

- Bachelor of Fine Arts in Photography, University of Art and Design (2018-2022)
- Advanced Course in Digital Photographic Enhancement, University of Delaware (2020)

Skills:

- Proficient in DSLR cameras and lenses
- Expertise in Photoshop, Lightroom, and Capture One Pro
- Experience with studio and location lighting setups
- Strong composition and shot direction skills

Experience:

Lead Photographer, Creative Vision Studio (2022-Present)

- Direct and oversee all photography projects for commercial clients

- Collaborate with art directors on concept development and execution
- Manage team of assistant photographers and interns

Freelance Photographer (2019-2022)

- Captured portraits, landscapes, and fine art images for local galleries and publications
- Developed and maintained client relationships through exceptional customer service

Photography Assistant, John Smith Studios (Summer 2021)

- Assisted lead photographer with setup, shooting, and editing of commercial and editorial assignments
- Gained hands-on experience with high-end camera equipment and studio lighting systems

Projects:

- Featured in "Emerging Artists" exhibition at Downtown Gallery (2022)
- Published in "Nature's Wonders" magazine (2023)

Awards:

- Winner, Annual Photography Competition, Local Camera Club (2022)
- Finalist, National Photography Awards (2023)

Certifications:

- Certified Professional Photographer (CPP), Senior Photographers International (SPI) (2022)
